TRACK TWO

ARMOR OF LIGHT PRAYER WALK: STOP#7 THE MEDITATION ROCK & THE VALLEY OF ABUNDANCE

There's so much more to learn from the Perspective Place, and your struggle to execute a godly life around vastly different people probably still lingers. The good news is that your time in the garden is never limited and you can come back whenever you want. There's so much more of it to see, so for now let's continue walking through the garden to the next special place where *"By His divine power, God has given us **everything** we need for living a **godly** life. We have received all of this by coming to know Him, the One who called us to Himself by means of His marvelous glory and excellence. And because of His marvelous glory and excellence, He has given us great **precious promises**. These are the promises that **enable** you to share His divine nature and escape the world's corruption caused by human desires. (2 Peter 1:3)*

God's Word gives you timeless guidelines and promises to deal with your needs, and these treasures wait for you in His Word. All scripture is inspired by God and is useful to teach you what is true, make you realize what is wrong, and correct you into doing right (2 Timothy 3:16). You do not have to rely on your own feelings or understandings; this is God's promise to equip you to do good work. Therefore, God gives wisdom to you at **The Meditation Rock**, another holy place found in the Sacred Garden. Climb up on the flat boulder and understand that you can ask Jesus for insight and listen in return as He reveals the answers to you. It is here that He teaches the meanings and Mysteries of Himself and His Word...His promises.

Philippians 4:19 speaks of another promise from God: *"And this same God who takes care of me will **supply all your needs** from His glorious **riches**, which have been given to us in Christ".* What needs do you have that can be brought to your Savior? The King of the Universe will meet these needs according to His abilities and resources. After you've confided with Him on the Meditation Rock, He takes you to another one of His special places just up the path to an overlook along a mountainous ridge. You stand in amazement as you actually see **The Valley of Abundance** below... *full* of His vast resources to meet your needs! Meet with God here and simply ask Him to draw from His richest valley to directly supply anything you may be needing.

Since God's valley clearly has *everything*, you may briefly wonder why all your requests have not been answered. God sees a bigger picture and knows how one request affects others. As humans, we can never understand how all the world's requests intertwine like God does. We know He has a perfectly timed plan so we must rely on faith. *"Faith shows the reality of what we hope for, it is evidence of things we cannot see."*(Hebrews 11:1). In other words, you must TRUST God to provide the right thing for meeting your needs. He will never fail you or let you down. He will always be right on time and if you wait patiently for His answer, you will receive a greater blessing than you could have imagined. Remember that you are in an intimate relationship with God and TRUST is required. Do you trust God completely?
